8 July 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 8 July 1966

ADDI briefed on the highlights of the second bucket of the latest satellite mission.

ADDI reported on the status of the various portions of the study in depth being done on the Vietnam situation in answer to inquiries from Secretary McNamara. Outlook is for completion of the study during the last half of August. DCI asked that the study be expedited to the maximum extent possible. He asked that the various parts of this study not be disseminated around town until the entire package is completed and given to the Secretary. The Secretary is primarily interested in matters pertaining to morale.

Godfrey reported that the OCI memo concerning [] had been recalled and OCI has since revamped procedures relating to the release of intelligence memos for dissemination. 25X1

Godfrey tabled a memo on a comparison of Hanoi and Tokyo radio commentary.

25X1 [] said that [] has been designated Acting Deputy Director ONE until about Labor Day. 25X1

25X1 [] noted that work continues on an estimate of [] 25X1
25X1 [] The work has been slowed by considerable differences of opinion.

25X1 [] raised the question of the proper dissemination of NIE 14-3 which was passed yesterday by USIB. It was agreed that the NIE would be given a tight and high-level dissemination on a "need-to-know" basis. The DCI commended the NIE as being a very fine one. (See Action 1)

with Air Force Secretary Harold Brown on the []

25X1

Duckett reported evidence that the [] are trying secretly
to acquire a nuclear reactor in dealings with a [] firm.

25X1

25X1

25X1

25X1

ExDir noted receipt of letters highly complimentary of []
[] who recently completed a year at the
National War College.

25X1

DCI reported briefly on discussions yesterday with Ambassador
Bohlen who believes in essence that the USSR is no different today from
what it was decades ago. Bohlen suggested that a study be made to see
if there has been in fact any significant change. DCI has asked ADDI
to advise the DCI on this question.

SECRET-EYES ONLY

~~SECRET EYES ONLY~~

DCI recommended for reading the Reston article in the New York Times today.

DCI reported that he had discussed with Secretary Vance yesterday the problems caused by press stories of the [REDACTED]

25X1

[REDACTED] Vance said he would remind all field authorities of the need not to discuss such matters.

DCI noted that there would be a 303 Committee meeting this afternoon.

25X1

DCI noted the importance of assuring that [REDACTED] and [REDACTED] are properly administered and supported. Their jobs cut across component lines and they represent all parts of the Agency. They will continue to be slotted as is.

ACTION

1. ONE is to provide the DCI with a list of recipients of NIEs. (ONE in the course of the day)

[REDACTED]
